The Long Game

I went to Google to find info on the World's longest races. I thought it would list, first, the marathon which is 26.2 miles to run. Sheesh! Was I wrong! A marathon is child's play next to the World's really long races.

The '6633 Arctic Ultra' is 350 miles through the Arctic. 'Dragon's Back' runs through the "mountainous spine" from north to south Wales and is 186 miles long. The 'Self-Transcendence' is 3,100 miles in 52 days, running 5,649 laps around the same one block in Queens, NY! The 'Jungle Ultra' covers 142.6 miles through the Peruvian jungle. The Patagonian Expedition Race is 680 miles. There are others but you get the idea; they all take unbelievable endurance and steadfastness of mind; the runners must pace themselves, single-mindedly always looking at the 'Long Game,' keeping their minds on the finish; it's going to be a long time running so they must start out far more slowly than if it were a shorter race; there's no sprinting in these races.

Paul tells us to view our current stage of life in just the same way, running a very long race but always being steadfast and unmovable as we look for His coming for us in the Rapture, our 'blessed hope!' 'Behold, I show you a mystery; We shall not all sleep, but we shall all be changed,'⁵² In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed... Therefore, my beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord.... Wherefore seeing we also are compassed about with so great a

cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us, ² Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God.' 1Cor 15, Heb 12

This is our 'long race' but there are two others: Satan has paced himself for the Long Game while God's plan is the ultimate Long Game.

We look at the World, today, and see previously unimaginable darkness and debauchery on every hand. All nations have banded together to willingly destroy their economies in order to prepare for the coming of their long awaited Superman whom they believe will lead the World to a new 'golden age,' as they fall in line to worship the 'god of this World,' Lucifer.

Just a few years ago, we could not have imagined the current state of the World and Society. Huge numbers of young people now identify as homosexual, transsexual, non-binary or some other form of

'non-normal.' We've watched the seemingly universal breakdown of the 'nuclear family,' the God ordained foundation of all civilization and society. How could human society have fallen so far into darkness!?

Who are the 'gods' being worshipped and emulated today? Certainly not the God of the Universe Who has revealed Himself through the pages of Scripture and especially through the Lord Jesus Christ. The only time most people ever use the Name of Jesus Christ is as a vulgar expletive, a swear-word.

The gods of today are basically 'Hollywood;' the 'stars' of theater, cinema and music. When did the movies get so bad? Someone my age might say, 'Everything was still 'pretty good' into the 1950's but then it started to slide with the 1960's.' Yes, to be sure, the '60's did introduce an enormous breakdown through the sorcery and witchcraft of widely used drugs and promiscuity. My mother might have said, the movies were pretty good 'Until the early 30's when 'talkies' came along; then it began to slide.' My grandfather might have said, 'Moving Pictures have always

been evil; it was much better when theater was only on the stage...

Shakespeare was great!'

Actually, Shakespeare's work is filled with adultery and fornication, as secular as anything today. Actors and the Theater have been Satan's number one vehicle in disrupting and destroying the perfect state of Man, in the Garden. In the Garden of Eden, in the perfection of God's Creation, Lucifer became the first actor; he took on the form of a beautiful serpent, probably a magnificent creation; perhaps it could, then, fly but certainly could ambulate, moving about uprightly, a creature which actually spoke to Eve. This actor did what actors have always done, he played a part not based in truth but, rather, meant to deceive and deceive, he did, with seemingly disastrous consequences for the human race. I say 'seemingly disastrous' because God's ultimate plan, His ultimate Long Game had been set in motion even before Lucifer, himself, was created. Lucifer has never understood that he was simply a bit-player in God's ultimate 'Plan and Theater for the Ages.'

Lucifer has thought his was the great plan to destroy mankind and all of God's Creation. His entire many thousand year play of which he's always thought himself the star, has been merely a blip on the screen of God's truly Ultimate Plan to first, glorify Himself and to create for Himself, a Nation to carry His Name forever and a Bride for His Son, the greatest love-gift ever imagined.

When Eve believed that 'actor' and she and Adam sinned, that was the beginning of Lucifer's plan, the breakdown of God's ordained foundation of civilization, the nuclear family with the husband as the head with the wife in willing submission to his Godly leadership.

Adam abandoned his role of husbandry, leading and protecting his

wife; he was nowhere to be found. Eve willfully rejected Adam's headship by choosing to take it upon herself to make the most monumental decision ever made in the human family. She decided, for herself, that God's Word was not worth heeding. That was, in itself, the number one sin in the history of Man and it was made without any input from the one she had been created to wonderfully help in all his work. Every broken family, from that time on, owes its misery to Adam's abandonment and Eve's willfulness.

Actually, Lucifer's plan began farther back in the annals of time. In Isaiah we read: 'For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:¹⁴ I will ascend above the heights of the clouds; I will be like the most High.' Isa 14:13

So, how could Satan so direct humanity from the place of perfection, in the Garden, with the foundational nuclear family to where we are today with society inundated with homosexuality, lesbianism, bisexuality, pan-sexuality, transsexuality, bestiality and every other '-ality' imaginable... with every one based in rebellion and witchcraft?... Hollywood! And make no mistake; Hollywood has been around for 6000

years, just without the name. In fact, the name, Hollywood, is synonymous with witchcraft. Holly-wood is a favored material for a witch's wand, the wood from the holly bush... a holly wand made from holly wood.

Let's begin with today and work backwards. Today, countless Hollywood movies center upon wizards of every kind; superman, wonder woman, specially 'gifted' young people, magic and sorcery of every kind. Every one is Godless and many embrace many sexual deviances. Every child and young person can imagine themselves as a super being with genuine witchcraft exploding in schools and clubs around the World.

How could we get to the place where sorcery and witchcraft is accepted and glorified? First, Satan had to destroy the nuclear family. We even have a Presidential Cabinet member, the one supposedly in charge of 'transportation,' taking months off, in the middle of a world-wide breakdown of transportation services, to be with his husband as they take 'maternity leave' together to get used to being daddies to their newly adopted twins: what kind of society glorifies such a thing!?

But wait! There's more! Now we have men, masquerading as women while being allowed to compete against and

completely dominate real women in sports while the World seems oblivious to the absolute absurdity of such a thing; these faux women are destroying real girls and women in their sporting competitions while any true girls or women are excoriated into silence if they voice any disapproval as they watch their rightly deserved victories, medals and scholarships being stolen by the bigger, stronger, with greater lung capacity men in girls' clothing who glory in the false praise and acclamation of a world gone mad.

Where are the noisy feminists who so loudly deprecated the newly elected President Trump. They have shown themselves to be nothing more than shrill skills for the destruction of the family; it obviously means nothing to them that so many girls and women are so mistreated on the field of sport.

How did we get to the place where something like this is accepted and considered normal!? Hollywood! For this to be acceptable, first, the World had to get to the place of acceptance and glorification of homosexuality.
