## Nothing is as it Seems

Debbie and I have watched DVD's of a certain British series which covers many seasons. At first, it was clever and fun to watch but it increasingly became ponderous and unfun, in my opinion. One of its characteristics, in the beginning, was that 'nothing is as it seems;' there would always be a clever twist at the end which then made everything make sense.

That is the understanding which we should have regarding most of our politics and governments worldwide: **nothing is as it seems**. To those who regularly/daily ask God for His Wisdom, many things do, in fact, make perfect sense. Our first 'prism' through which we view the world should always be: 'We are living in the Last Days of human government on Earth; we are seeing so much prophetic fulfillment coming at us like a runaway freight train. All of God's Prophets and Biblical characters longed to see what we see. The 'Last Days' began in real earnest, just as Jesus predicted, against all reason and common sense, on May 14, 1948, when Israel was reborn as a nation. When God moved Caesar to send Titus and his Roman legions to obliterate Jerusalem and the Temple and to then uproot Israel, take them captive and cast them to the four winds, Satan and godless humans believed the Jews would be absorbed, diluted and erased as a people, especially as God's chosen people; Catholicism taught that 'she' had taken Israel's place in God's Plan, that all His Promises were now to that false religion and her people and now, even today, many apostatizing 'churches' teach the very same heresy, that God rejected Israel for her sin and cast her away forever. Fortunately, blessedly for Israel and for every one of us, God is True and He is Faithful; He is lovingly loyal to His chosen nation, Israel and us, His chosen Body and Bride for His Son, our Lord Jesus Christ.

And so, since His Word is sure, we can know, with all certainty, that the World, the U.N., the E.U. and all the nations of the World are tirelessly working to bring about their long sought after One World Government headed by their long awaited man to rule them all who will turn out to be none other than..... the Antichrist! Some mock that belief but it does not make it any less true.

*'Why do the heathen rage, and the people imagine a vain thing? <sup>2</sup> The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying, Let us break their bands asunder, and cast away their cords from us.'* Psalm 2:1

Hearts of Love is a non-profit ministry, dedicated to spreading the Gospel of Jesus Christ whenever and wherever we find open doors. Our first priority is to glorify God and lead whomever possible to a saving knowledge of Jesus Christ as Lord and Savior. Please pray for us faithfully. We need your prayer, and we appreciate it more than we could ever say. Please consider us an extension of your ministry in this world, and support us with your prayer as such.

May God richly  
bless you!

Tom & Debbie

We pray God's blessing upon you and your home, that He would keep you safe and that He would reveal Himself to your unsaved loved ones, to save and to keep them secure in His Love.  
**Merry Christmas!**

The number one promise which resulted in Donald Trump's election was that he would oversee the removal and repatriation of all the more than 10 million illegal aliens brought into this country by the Left with the reasoning being to create a huge new voting bloc to whom is promised their every need and want would be fulfilled if they would faithfully vote Democrat; the Left was more than willing to destroy the fabric of this great nation in order to hold onto political power. Now, if you don't see that or if you don't believe it... then all I can say is, you are simply not paying attention!

By the way, what we are watching here and throughout Europe is the same tactic employed by emperors throughout history as the only way to hold and keep control over conquered lands; it's the same tactic used by Rome when Israel was destroyed in AD 70: uproot native peoples and plant them into other, far away lands with the object being to destroy the national identity and patriotic glue that holds a people together.

Europe was 'Christianized' for 1000 years but that flame has been snuffed out through the infection of atheistic/humanistic 'modern' thought with the final nail in the coffin driven in by the import of millions of Muslims who refuse to assimilate into European society, in any way whatsoever, which is, in itself, another prophetic fulfillment: do you remember Nebuchadnezzar's dream statue which Daniel interpreted? The statue repre-

sented the succeeding World Empires: gold/Babylon, silver/Medes Persians, bronze/Greece, iron/Rome and finally, a revived Roman Empire of iron mixed with clay: a political union with no real adherence: the imported Muslims could very well be that unmixable clay. Out of that weak union would rise the final Antichrist... the World is now more than ready to willingly receive him. Donald Trump just won a decisive election; the entire World is collectively holding its breath to see how this will play out. I voted for DJT; I'm not saying he is the Antichrist but he certainly could be. Or, he could just as easily be God's answer to prayer to give this failing nation a short reprieve before the coming destruction but remember, of 'that' time, the Bible says that the deception will be so great, if it were possible, even the very Elect could be deceived. *Matt 24:24* Here's getting to my main point: whatever we might believe is the cause or purpose of this flood of illegal aliens, the unassailable fact remains: they are here, they are scattered throughout the country and the President-elect has promised that his first act will be to find them and remove them... that is all very true! So... let's look at the workings of that kind of operation: the vast majority have been young men of military age; certainly, all the photos have shown

women and children but in any photo, if you look carefully, you'll see that it has been carefully staged: a few women and children will be in the forefront followed by a sea of men, military-aged men, many of whom are known to be members of vicious illegal gangs such as *MS-13* and *tren de Aragua* who are cruel, villainous, heartless killers.

This is another undisputable fact! How will their arrest and removal be accomplished? Since those tasked with the hands-on work of removal expect, from some, a fierce, armed resistance, they will be forced to assume that a gun is being held behind every door. They will come at 3 am, they will have warrants and break down doors, they will employ overwhelming force for their own safety; none of these rangers and sheriffs, etc. want to be shot or killed. Illegal aliens, primarily men but also women and children, will be hauled off at night and taken to camps set up to hold them until they can be sent back to their country of origin. There's no other way to do it!

Then, the next logical step is, in order to assure the honesty of future elections, laws will be passed requiring photo I.D. to vote which will naturally evolve into a national I.D. requirement to be carried, on person, at all times as proof of citizenship or legal alien residency.

Do you see that picture? Of what does it remind you? It's the picture in our minds of 85 years ago: Nazis demanding to be shown papers, arresting Jews and taking them to death camps. I am not equating Trump and America with Hitler's Germany but the picture we envision is eerily similar, is it not?

Here's another point. As the aliens are being rounded up and removed, a large portion of this nation will be cheering it on... in other words, we'll begin to be conditioned to accept the arrest and removal of undesirables while being told they *'have no business being here; our country will be better off without them!'*

What we fail to remember is that the next step in the Antichrist's program will be the arrest and removal of Jews and those who will have come to faith in the

Lord Jesus Christ after the True Church is removed in the Rapture.

The USA, while founded upon Biblical principles and arguably the greatest, freest, most successful, most blessed by God Almighty nation the World has ever known... is not mentioned in End Times Prophecy... many believe this is because the U.S. will cease to matter, perhaps even suddenly... if Russia or China or any combination of evil actors were ever planning an attack on the U.S., it would make the most sense to do so in the next 2 months while we are, essentially, without any competent leadership whatsoever... or, if the Ezekiel 38 invasion of Israel were currently being planned by the Russian led coalition of Muslim nations, now is the time... the World is in upheaval; anything, all around the World could ignite WW3! What if Donald Trump were to come into office on Jan 20, 2025 and very quickly turn everything around, forcing peace in many currently unpeaceful places? He is a deal-maker; Israel loves him; much of this country love him, many around the World love him. So many believe that he will bring peace and safety to this seething World.

In Rev. 6, we see the Rider on a White Horse who represents the Antichrist; he has a bow but no arrows, the threat of power but accomplishing his will by

'peace.' Of him, Daniel writes: *'And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many...'*

Dan 8:25

I am not saying that the illegal aliens should not be expelled. I am not saying that Donald Trump is the Antichrist but he might be; we are in that time of prophetic history. I am not saying that you will be deceived but if possible, you might be...

I voted for Donald Trump and I would do so again! Even the Antichrist is better than what we have had... just kidding... sort of...

The greatest benefit, already, from Donald Trump's travails, and finally reelection, is that we are seeing a groundswell of ordinary people gaining the courage to stand up and declare Truth in every corner of our corrupt nation and government:

*Only women are women! Fornication and sexual deviancy in all its presentment is sin! Abortion is murder and infanticide.* Even young people are breaking the chains of peer pressure to declare Truth.

Christians and Jews are gaining the courage to declare their Faith and loyalty but all of this could change overnight. We live in the kingdom of

darkness; **Nothing is ever as it seems!** We are living in the Last Days, the End Times; at any moment, the Lord Jesus Christ will come down into the clouds to call up, to Himself, His beloved Bride, us, His True Church. The Antichrist is a man who is ready to burst onto the World scene. Many are now relishing their thoughts of the now emerging **Peace and Safety** but of these very times, Paul wrote: *'But of the times and the seasons, brethren, ye have no need that I write unto you.'* <sup>2</sup> *For yourselves know perfectly that the day of the Lord so cometh as a thief in the night.'* <sup>3</sup> **For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.** <sup>4</sup> *But ye, brethren, are not in darkness, that that day should overtake you as a thief.* <sup>5</sup> *Ye are all the children of light, and the children of the day: we are not of the night, nor of darkness.'* 1Thes 5:1

We are children of the Light; walk in the Light; walk in the confidence and assurance that you are a child of the King. Know your Bible! Only then will you be equipped to face any darkness which may arise before the Lord Jesus Christ comes to call us to Himself, to our home. Set your mind on things above, not on things of the Earth; He is coming soon!
