Hearts of Love is a non-profit ministry, dedicated to spreading the Gospel of Jesus Christ whenever and wherever we find open doors. Our first priority is to glorify God and lead whomever possible to a saving knowledge of Jesus Christ as Lord and Savior. Please pray for us faithfully. We need your prayer, and we appreciate it more than we could ever say. Please consider us an extension of your ministry in this world, and support us with your prayer as such.

*May God richly
bless you!*

The World is being prepared For War!

Proclaim ye this among the Gentiles; Prepare war, wake up the mighty men, let all the men of war draw near; let them come up: ¹⁰ Beat your plowshares into swords and your pruninghooks into spears: let the weak say, I am strong. ¹¹ Assemble yourselves, and come, all ye heathen, and gather yourselves together round about: thither cause thy mighty ones to come down, O LORD. ¹² Let the heathen be wakened, and come up to the valley of Jehoshaphat: for there will I sit to judge all the heathen round about. ¹³ Put ye in the sickle, for the harvest is ripe: come, get you down; for the press is full, the fats overflow; for their wickedness is great. ¹⁴ Multitudes, multitudes in the valley of decision: for the day of the LORD is near in the valley of decision. Joel 3:9-14

As I write this morning, the world is recovering from last night's presidential debate. Current polls reflect the population's belief that Joe Biden lost bigly; one poll put it at 67% to 33% but now it appears that Google is scrubbing those kinds of reports. Sadly, if you happen to be on the Left, you are no longer shielded by the Media as to the true nature of Biden's decline; even the hardest of hardcore Leftist apologists are languishing in abject misery this morning. Calls are pouring in from the Left to replace Biden and, of course, calls are pouring in from the Right to leave the poor guy alone; he deserves to be the candidate of the Left; they deserve each other!

This, however, is the most serious result of this debate: for 4 years, the Left has worked assiduously to hide Biden's true mental state and to prop him up to keep themselves in power but now, the entire World knows the truth: the President of the United States is unable to even carry through an entire, coherent thought, much less to know when or if to order the use of Nuclear Weapons and, worst of all, every evil actor on the World stage now knows, with all certainty, they have a free hand to do whatever, wherever they please within the narrow window of time from July to November of this year. The United States of America, which has often, actively worked to tamp down evil throughout the World, no longer exists and may never exist again. Much of the World plans for our demise while the rest of the World laughs.

We can reasonably expect to see the explosion of some dangerous hotspots throughout the World: Vladimir Putin knows he can quickly finish the job in The Ukraine; Russia, Iran, Turkey, Syria and their underlings are drooling over the prospect of finally destroy-

ing Israel as prophesied in Ezekiel 38; Xi Jinping knows he can launch his long sought after invasion of Taiwan at the moment of his choosing.

Remember: under Donald Trump's leadership, China did not invade Taiwan; Russian did not invade The Ukraine and there was relative peace in the Middle East.

Barring another stolen election, Donald Trump, whom the World saw as focused, forceful, fearless and determined with a clear understanding of the dangers threatening America from all sides will be, again, the President in complete control of his office and his faculties; whatever evil the various despots of the World are planning, they know it must be accomplished soon. Our only hope is in God; He alone knows all, sees all, plans and produces all; our hope, our assurance is that He is in complete control... period! No evil will succeed until God allows it. But we must not forget those, with evil intent, who hold Nuclear Weapons at the ready: Russia, China, Pakistan, North Korea and likely Iran.

God has used this nation to spread the Gospel throughout the World and to hold back much evil throughout the World.

I don't think Biden's debate performance was, at all, a surprise to two groups: Conservatives who've been

paying attention for the past 16 years saw what they expected to see: an old man, feeble in body and mind. The second group, who knew exactly what was coming, were all those closest to him; I think the purpose of this debate was for the Left to begin the process of jettisoning Biden early enough to replace him with someone stronger but 2 people will fight tooth and nail to keep Joe Biden on the Presidential ticket: 2 women with the most to lose: 'dr' Jill Biden and VP Kamala Harris. dr Jill desperately wants to hold on to her queenship; the last thing in this world she wants is to be forced to step down in the disgrace of having deceptively propped up a doddering dementia patient. The only one whose queenly ambitions will have even more tragically flamed out will have been duchess Meghan. Kamala desperately wants to remain a heartbeat away from the highest office in the World but she will not be 'chosen' and she may not step aside quietly.

This is what I think is happening in the upper echelons of the Left: firstly, Barack Hussein Obama has been the puppet master pulling the strings for the past 16 years. Hillary was ordained to continue his 'fundamental transformation of

America' but Trump was in the way which is why they've been bent on destroying him for the past 8 years. Biden was forcefully installed as an Obama-controlled placeholder until Barack Hussein O. could regain his rightful place as king; the attempt at which may happen soon. Michelle Obama has remained in the shadows these past 4 years; nothing untoward can be laid on her step. Biden has been propped up for the expressed purpose of lowering presidential expectations and qualifications to the lowest possible level so that now, or at least during the convention, Michelle O, who has never held an elected office or any real job can be ridden in to the rescue; she is perfect for the current expectation/qualification requirement; she only needs to be better than Joe but, then, she does have Barack Hussein O. to be the continued real power behind the throne but remember: there is someone far, far more evil, devious and brilliant, than anyone on the Left, who is really planning and pulling the strings but remember also: there is Someone even far, far more wise and powerful Who is, thankfully, in complete control and watching out for every one of His Own children; He is pulling all the strings everywhere. Of course, it's also possible that the Left was drawn to their own destruction by God pulling them into this situation according to His Plan. Remember: in Ezekiel 38, prophesying the soon coming destruction of 5/6 of the armies of Russian, Turkey, Iran, Syria and others, It says: 'Thus saith the Lord GOD; Behold, I am against thee, O Gog, the chief prince of Meshech and Tubal: ⁴And I will turn thee back, and put hooks into thy jaws, and I will bring thee forth...' God may have put hooks into the jaws of the Left and drawn them forth to their own demise... or, we may be watching the final act before the soon coming Rapture of the True Church

which will then begin the final 7 years of human government: the Tribulation.

Beyond the debate and the election, these are some of our most dangerous, current national predicaments carrying Joe Biden's fingerprints:

1. He, as did Obama before him, has enabled and enriched Iran to the point of actually being a threat to World peace; they are actually the ones most responsible for the dire threats facing Israel from Hamas, from Hezbollah and especially from Iran which would never have been capable of financing Israel's terrorist neighbors without the billions given and released to Iran.
2. Russia's war against The Ukraine has been drawn out for years by the billions of dollars and weapons Biden has poured into The Ukraine. The fact that the U.S. and Nato have been financing and arming Russia's enemy has made us all Russia's enemy and Russia holds the largest cache of Nuclear Weapons in the World; Putin has made clear that he will use them if he feels Russia is threatened!
3. China is our avowed enemy; China has been working by their 1000 year

plan to rule the World. There is no way to quantify the danger that Biden has unleashed through his traitorous actions in taking many millions from China, The Ukraine and others in exchange for unknown secrets.

4. North Korea has been given a free hand in developing and producing unknown quantities of Nuclear Weapons.
5. Most dangerous of all has been Biden's traitorous removal of any barriers at our southern border. Unknown numbers of terrorists from every evil corner of the World have poured into this country to then plant themselves in every major city while awaiting their orders to strike.
6. Joe Biden and actually his handlers, including Obama, have caused this nation to be in the most dangerous and precarious situation it has ever been. Doubtless there are others but these are certainly more than enough... Here is the good news: God has always been in control; He has never not been in complete control of all things, in all places, at all

times and over every person and God made great, glorious and specific promises to His precious possession, Israel and they will be kept perfectly. Jerusalem was destroyed and Israel scattered by Rome. Israel was reborn in 1948. God is causing anti-Semitism throughout the World in order to draw the Jews back to Israel. God is preparing the World for Judgment but not so for His children: 'Because you have kept My command to persevere, I also will keep you from the hour of trial which shall come upon the whole world, to test those who dwell on the earth. Behold, I am coming quickly! Hold fast what you have, that no one may take your crown.' Rev 3:10
